*Where Little Learners Grow Big Futures*

Welcome Letter – 2025/2026 School Year

Theme: "*Little Steps, Big Discoveries*"

Dear Parents and Students,

Welcome to the 2025–2026 school year at Franklin Learning Academy! We are overjoyed to open our doors once again to familiar faces and thrilled to welcome new families into our school community. As we begin this exciting journey together, we're embracing our school theme: "*Little Steps, Big Discoveries*." Each day is a new opportunity for our students to take small but meaningful steps toward understanding the world around them, and we're honored to walk alongside them on this path.

At Franklin, we believe every child is unique, full of potential, and capable of greatness. Our mission is to create a nurturing and engaging environment where curiosity is encouraged, confidence is built, and every student feels seen, supported, and valued.

This year, we will continue to focus on building strong foundational skills in reading, math, social development, and critical thinking through hands-on learning, creative exploration, and intentional instruction. As your children grow academically, socially, and emotionally, we will celebrate each milestone no matter how small, because we know those little steps lead to big discoveries.

To our students: We are so proud of you already. Get ready for a year full of new friendships, exciting challenges, and joyful moments. Your teachers can't wait to help you shine!

To our parents and caregivers: Thank you for your continued support and trust. We deeply value your partnership and look forward to working hand in hand to help your child thrive this year.

Let's make the 2025–2026 school year our best one yet, full of love, laughter, learning, and unforgettable discoveries!

With warmth and gratitude,

Principal Dionna Burton
